

SHORT DESCRIPTION ABOUT EMBEDDING THE ANIMATED MINI-CATALOGUE

The animated mini-catalogue [<http://www.flipedia.de/mini/2581>] is easily placed on any part of your website by using the following iframe code:

```
<iframe src="http://www.flipedia.de/mini/2581" style="height:180px; width:224px; border:0px" scrolling="no" allowtransparency="yes" frameborder="0">no iframe support</iframe>
```

The mini-catalogue is animated by itself and in the moment the user hovers above it with the mouse. If it is clicked, a new page is been opened with the interactive CubeVision brochure.

If there is something unclear, please contact your webmaster or us:
